(submitted by Joan Carrell)

Prepare one box chocolate cake mix, as directed. (9 x 13 pan)

While hot...

Poke holes in the cake (using a wooden spoon handle).

Pour over the top of the cake:

1 can Sweet & Condensed Eagle brand Milk

8 oz can Hershey's chocolate syrup

To serve, top with Cool Whip and chocolate curls.

(To prepare chocolate curls, use a potato peeler to shave a Hershey bar that is room temperature.)
