

Tex-Mex Dip
(submitted by Carolyn Edwards)

1 (16 oz.) can refried beans
1 cup sour cream (I used "light".)
1 cup mayonnaise (I used "light".)
1 (1.25 oz.) package taco seasoning
2 cups shredded cheese
Choice of chopped veggies for topping, such as green onions, black olives,
and tomatoes.

Place refried beans on the bottom of
a 9" pie plate.

Mix sour cream, mayonnaise, and taco seasoning together.

Layer on top of the beans, then sprinkle with cheese, and top with veggies.

Serve with tortilla chips.

This recipe came with my last Keepsake Quilting order.
