

Sherbet Dessert

1 - 16 oz Cool Whip

$\frac{1}{2}$ package coconut macaroon cookies (crushed)

(I could not find macaroon cookies so I just used coconut)

1 C chopped nuts (your choice)

1 Gallon sherbet

Mix together Cool Whip, crushed cookies and chopped nuts. Spread $\frac{1}{2}$ of the mixture in a 9 x 13 dish. Chill in freezer $\frac{1}{2}$ hour. Spread softened Sherbet over Cool Whip layer. Then top sherbet layer with remaining Cool Whip mixture. Freeze until firm. Serves 12.
